

Announcing our

***39th annual Dollhouse and Miniatures Show and Sale
Holiday Inn, near Fogelsville, PA***

July 10, 2016 10am-4pm

Our show is known for our friendly relaxed atmosphere. All our club members take part in the show and make sure vendors have all the help they need. While vendors range from selling general merchandise to artisan “one of a kind” creations, attendees range from beginners to experienced miniaturists.

The Holiday Inn, 7736 Adrienne Dr, Breinigsville, PA 18031, will give a discount rate to our vendors until June 10 (1-800-315-2621 or 610-391-1000). There are also a few other hotel/motels within a short drive. We encourage you to make the Lehigh Valley a destination where you and your family/friends can enjoy many local attractions such as Dorney Park, the Da Vinci Science Center, Sands Casino, Crayola Factory, Hawk Mountain Bird Sanctuary, and Lehigh Valley Zoo, to name a few. Visit www.discoverlehighvalley.com for more exciting attractions in the area.

Enclosed is a Vendor Contract for next year’s show. We suggest reserving early to assure getting a table, and to receive the discount price before March 1.

The Lehigh Valley Small on Scale Miniatures Club showcases our members’ projects in an exhibit that is located in the showroom area. Vendors are invited to display (not for sale) projects in our exhibit. If you choose to do so, request an exhibit form or go on our website and download one to send to us.

If you are receiving this mailing and wish to be removed from the list of potential vendors, please contact me by email, phone or letter, and I will do so.

Lehigh Valley Small on Scale Miniatures Club wants our vendors to not only have a successful show, but to enjoy your time spent with us. Hope to see you at our 2016 show!
